Jonah Jones
Jonah Jones is a Product Design Manager at Facebook in London. Prior to this, he worked at Google for 8 years in Mountain View, Sydney, and Zurich, and led the redesign of Google Maps. Before that he worked in the London startup scene.
He has a background in design, programming, photography & film.

Leo Mancini
Leo Mancini is a product designer at Facebook based in London. Born in New York City, Leo has been interested in the intersection of art and technology from a young age. He attended the School of Visual Arts in Manhattan and freelanced at small design studios and startups in NYC. In 2012, Leo started at Facebook in Menlo Park, California. He has helped to design products and features such as Facebook Pages, Trending, Video, News Feed, Search, Mentions, and comments.
In 2015, Leo moved to the UK to help build Facebook's international design presence. He's currently working on the tools that people can use to share and express what matters to them on Facebook.
