

Invitation

Wednesday
April 10th, 2019
18:00-20:30

Auditorium 1
"Tassos Papadopoulos" Building
Cyprus University of Technology
Themidos and Ifigenias Corner
Limassol, Cyprus

The Social Computing Research Centre and the Cyprus Interaction Lab of the **Cyprus University of Technology** invites you to the final public event of the EU funded project ENGINITE [ENGINite and INdustry Innovative Training for Engineers via PBL], entitled:

Bridging academia and industry by integrating 'theory' with 'practice' using the Problem Based Learning approach in Engineering Education

Registrations (by April 5th, 2019) at:
<https://goo.gl/forms/0Q5ymYVdcbzTNszj2>

The participants will receive a certificate of attendance by the end of the event

For more information about the ENGINITE project visit: <https://www.enginite.eu/>

Programme*

- 18:00-18:15** **Registrations**
- 18:15-18:25** **Welcome note**
Professor Panayiotis Zaphiris (Director of the Social Computing Research Centre, Cyprus University of Technology, Cyprus)
- 18:25-18:45** **Presentation of the EU funded project “ENGINEITE” by the Project Coordinator**
Dr Andri Ioannou (Director of the Cyprus Interaction Lab, Cyprus University of Technology, Cyprus)
- 18:45-19:00** **Problem-based Learning as an integral part in education and professional development**
Professor Emeritus Søren Willert (Aalborg University, Denmark)
- 19:00-19:20** **The ENGINEITE Vocational Education and Training (VET) programme in Cyprus and in Greece**
Dr Yiannis Georgiou (Cyprus Interaction Lab, Cyprus University of Technology, Cyprus) & Dr Nikos Xekoukoulotakis (Technical University of Crete, Greece)
- 19:20-19:30** **Why more companies and young engineers need to follow the example of the ENGINEITE project?**
Mr. Andreas Andreou & Mr. Panayiotis Andreou (CUBEIE L.L.C.)
- 19:30-19:45** **Maximising the impact of ENGINEITE via new opportunities for professional development, Erasmus for Young Entrepreneurs (EYE)**
Mrs. Christina Achilleos, Ms. Stephani Theophanous & Mrs. Elina Spiliotakopoulou (GrantXpert)
- 19:45-20:00** **Open discussion: Comments – Questions – Suggestions**
- 20:00-20:30** **Cocktail reception**

**All of the presentations will be delivered in Greek, except from the presentation of Professor Emeritus Søren Willert, which will be delivered in English*

The consortium of partners:
